

Year 4 Newsletter

Autumn 1

Welcome to Year 4. We hope you had a wonderful summer and made lots of great memories. We are excited to be starting the new school year with everyone in Year 4 working towards a higher set of expectations in class and around school. This is what is going on in Year 4 this half term.

Topic – Road trip to the USA

Join us as we journey through America, studying the geography and history of the country.

We will be covering all areas of the curriculum, specifically cooking American dishes, learning all about electricity, designing and creating our own totem poles and using ICT to create a program. As staff, we cannot wait to learn all about the USA. If you have any resources which you think would be useful please feel free to share them in school.

Other learning in Year 4

Literacy- we will be creating holiday brochures focussing on using persuasive language.

Maths- Our first area covered in maths this year is number and place value. We will be focusing on really understanding each area in detail and applying it in to problem solving.

P.E. days:

4DW– Tuesday, Thursday

4J – Monday

4D – Tuesday, Wednesday

Remember that bringing your PE kit is part of the Learner code!

Swimming

4J to commence swimming lessons every Wednesday from 12/09/18

Bug Club At Badsley we love using Bug club to encourage reading at home.

Simply type **Bug Club** into a search engine such as Google and the top search will be Active Learn, Bug Club. From there your child can use their login details (which are the same as Sumdog) then they will have access to books and games your child's teacher has selected for them. It's great fun; there are lots of challenges and little extras.

If you have forgotten your login details, please let us know.
