

Year 4 – Summer 1

I Am Warrior

Last term, our curriculum focus was the Blue Abyss. We went on an exciting trip to 'The Deep' in Hull, took part in the BBC live lesson streamed straight from the Bahamas and discovered lots of amazing facts and information about our incredible planet.

I Am Warrior

Get ready to dig deep into the history books, discover lots of information about the Roman Empire, their soldiers and how they worked to take control of most of Europe.

We will be using many different resources to find our facts and learn what life was like back in Roman times.

Year 4 will be answering questions such as,

How did the romans invade Europe?

What weapons were used in the Roman army?

We look forward to finding out the answers!

P.E. days:

4J - Wednesday and Friday

4DW - Swimming and Friday

4D - Tuesday and Thursday

Remember that bringing your PE kit is part of the Learner code!

The weather will hopefully be turning warmer over the coming weeks but please ensure children have the appropriate PE Kit to go outside.

Swimming

4DW will continue to go swimming.

SfA will run throughout all of the Summer term until transition week.

Our Maths focus for this half term will be money, time, statistics and geometry. We will be covering lots of content but don't forget to keep practising the 4 main operations!

Please continue to work on spellings and read a book at home every day!

Make sure you use your online resources such as Bug Club, TTRS and Sum Dog.
