Headteacher: Mr. M Windle

Date: 25<sup>th</sup> October 2019

Dear Parents/ Carers,

As you are aware, the school had a full Ofsted Inspection, earlier this term on Thursday 26th September and Friday 27th September 2019. I am now able to share the report with you and the outcome of our full Section 5 Inspection. A copy of the full report can be found attached and on our website.

We are extremely proud to inform you that the overall judgement is that:

## ‘BADSLEY PRIMARY IS A GOOD SCHOOL’

I would like to thank all of the staff for their consistent hard work in providing a positive, inclusive and ambitious climate for learning and ensuring that our children feel safe and valued at all times.

I would also like to thank the children whose behaviour was, and is, impeccable. They are a credit to you and to themselves as individuals and are true ambassadors for our school.

Finally, I would like to thank all of our parents and families for your valued help and support. The overwhelming positive support provided by parents to the inspection team was a truly appreciated – from the online questionnaire and comments, telephone calls, letters received, meetings requested and informal conversations with inspectors. The feedback from the lead inspector was heart-warming.

As a school, we will continue to strive to improve further. It is our challenge to see that every element of our work reaches the highest possible levels. I know that I will have your support in the work we will be doing together to make Badsley Primary even better for all our pupils.

This outcome is a fantastic achievement for everyone in our school community; to be able to say that we are, for the first time in the history of Badsley Primary School, officially rated as a GOOD school, is something to be immensely proud of.

I hope that you enjoy reading the report. If you should wish to discuss any aspects, please contact me at any time.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M Windle'.

Mr. Mark Windle  
Headteacher
