

## Subtraction

Work out the answers to these calculations. Think about which method is the best. Will you...

Put the greatest number in your head and count backwards with your fingers.

Take away the tens and then take away the ones.

Draw dienes and subtract carefully.

**EX**change a ten for ten ones and then work out your answer.

●  $17 - 9 =$

●  $24 - 11 =$

●  $76 - 30 =$

●  $56 - 42 =$

●  $85 - 63 =$

●  $72 - 35 =$

●  $67 - 49 =$

●  $91 - 58 =$

●  $35 - 28 =$
