

Badsley Primary School

Home Learning – Weekly Overview

Year Group:	Y3	Week Commencing:	6th April 2020
--------------------	-----------	-------------------------	----------------------------------

Home Learning	Where could you find this? Website and documents to support you.
<p>Reading: Children should continue to read high quality texts through this time of uncertainty. Reading comprehension texts with questions are available on Twinkl as well as a range of audio books for free on Audible. Oxford Owl has a selection of free e-books to read if you create a free account with them. Also, David Walliams has been reading short stories every day at 11am for the last 2 weeks.</p>	<p style="text-align: center;"> www.stories.audible.com/start-listen https://www.worldofdavidwalliams.com/elevenses-catch-up/ https://www.oxfordowl.co.uk/ </p> <p>The file (Y3 Activity Booklet) which is attached to this document has several reading comprehension activities to be completed. Remember, if you don't have a printer, please write the sentences/answers out in the books provided in your original home learning pack.</p>
<p>Writing Using the online (youtube) version of George's Marvellous Medicine, we would like you to create 2 pieces of extended writing. They are,</p> <ol style="list-style-type: none"> 1. Instructions – can you create your own medicine using inventive ingredients. 2. Character description – describe either George or Grandma using descriptive language to make them come to life! <p>The videos and key features are in the next box. Also, please complete activities in the Y3 Activity Booklet.</p>	<p style="text-align: center;"> https://www.youtube.com/playlist?list=PL-CkseICKZdwOtkZm7VAPwKwPkWZGjH4s </p> <p>The features are attached to this document, please also use Twinkl.com for any other resources.</p>
<p>Maths To continue to develop our work on fractions, you can access learning resources at White Rose Maths – Home Learning. Use TT Rockstars to practise times tables. Also, please complete activities in the Y3 Activity Booklet.</p>	<p style="text-align: center;"> https://whiterosemaths.com/homelearning/year-3/ https://trockstars.com/ </p>

<p>Science: Research how light creates shadows, what reflection is and how the eye detects light. This can be found on BBC Bitesize Light and dark. There are further resources on Twinkl.</p>	<p>Y3 Science Light https://www.bbc.co.uk/bitesize/topics/zbssgk7 www.twinkl.com Complete 2Do's linked to light on PM</p>
<p>Computing Develop your coding skills with fun activities linked to some of your favourite films or games.</p>	<p>www.code.org – when visiting this page, look for 'Hour of Code' and this will direct you to short activities linked to coding.</p>
<p>PE: 30 minutes of daily exercise will help improve health and keep children active. Use YouTube for Just Dance and other dance-along videos. Every morning Monday-Friday, Joe Wicks (The Body Coach) is releasing a PE video for children and families to follow from their homes.</p>	<p>https://www.youtube.com/ https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ Joe Wicks The Body Coach PE with Joe</p>
<p>Art Create a scene of the place you would like go first when you are able to leave your house. This could be the park, a restaurant or visiting family.</p>	<p>Use any type of art or medium (pencils/paints/chalk) to complete this.</p>

Mr Doran, Mrs Burden, Miss Skelton and all the support staff hope that you are all keeping safe and managing to enjoy some extra time with your families. We are missing all of you and are hoping that we can all get back into class as soon as possible.
Keep going with the work we are giving you and it will make things much easier when we return.
Remember to stay safe and stay home!! We all need to work together!!

Take care and we will see you all soon,

The Y3 Team
