Hi year 4,

We are all missing you terribly and can't wait to be back together.

We hope you are enjoying your home learning so far. Here are a few more ideas of activities you can be doing over the next two weeks. Don't feel pressured to complete everything. Try to pick a range though.

There are lots of other things available online and ideas can be found on the school website and school twitter page.

If you have done anything you are proud of why not take a photo and ask your grown up to share it with us on twitter or email to Year4@badsleyprimary.org.

We can't wait to see what you have been up to,
Year 4 teachers
