Dear Year 5

Hi again, we hope everyone is still feeling happy and healthy during lockdown. It is hard not seeing your family and friends but hopefully all will be back to normal soon.

If you have birthdays or celebrations during this time, try to ring or face-time family and friends to let them know you are thinking of them, I'm sure they would love to hear from you and see your smiling faces.

Remember to take time and care with home learning to make it 'your best' but why not get family involved so they can enjoy the tasks with you too. Don't forget to celebrate your learning with family to show how hard you have been working.

Hopefully we will speak to you all soon!!

Take care and stay safe.

From Mr Morton, Mrs White, Miss Burtoft
