Dear Year 5

Another week has passed and we are still missing normality. To top it off, the weather is terrible at the moment. Not being able to get out in the garden or for walks etc isn't very nice but stay positive and try to help around the house to keep busy and avoid getting bored.

This is the perfect time to catch up on home learning that you may have missed when out enjoying the sun!!

It is very important to stay positive and look after each other at all times, but especially now.

Remember you can contact your teacher on Purple Mash on the sharing blog for your class, and your parents can contact us on the year 5 email address on the website if you need us.

Take care and stay safe.

From Mr Morton, Miss Burtoft and Mrs White
